

Department of Paediatrics

Established in year 1989

Head of the department	From	To
•Dr. V. S. Dani	08/08/1993	01/07/1996
•Dr. Z. F. Hussain	16/08/1996	14/11/2000
•Dr. S. S. More	07/03/2001	26/6/2015
•Dr. M. B. Kamble	01/07/2015	Till date

Professor And Head	Dr. M. B. Kamble
Associate Professor	Dr. Ajay Keshwani

	Dr. R.T. Chavan
Assistant Professor	Dr. V. G. Chavan Dr. Muzammil Koshish Dr. Ramchandra Nagargoje
Senior Resident	Dr. Nishant Chavan Dr. Kunjbihari Meena Dr. Subodh Tikhe
Junior Residents	Dr. Aboobacker T. (JR3) Dr. Rajeshkumar Singh (JR3) Dr. Amita Ganvir (JR2) Dr. Ajai kumar Yadav (JR2) Dr. Suraj Bansod(JR2) Dr. Vidhya Totewad(JR2) Dr. Swati Suroshe(JR2) Dr. Shruti Polke(JR2) Dr. Priyanishaben Dodhi (JR1) Dr. Ankush Maindad(JR1) Dr. Sumit Lamge(JR1) Dr. Nithin C. S. (JR1) Dr. Pranoti Chiwarkar (JR1) Dr. Ramesh Nidiganti (JR1)

Non-teaching staff:

Designation	Name
Stenographer	Mr. N. J. Tondre
BCG technician	Mr. S. K. Chavan
Lab Assistant	Mr. R. V. Chimane

Social worker	Mr. Ashish Khadse
Lab Attendant	Mr. V. R. Rathod

Details of sanctioned intake capacities of various courses UG as well as PG by the MCI :

UNDERGRADUATES:-150 Students per year

POST GRADUATES:- 06 students per year from 2017 (02 Students per year before)

Any Research publications during the last one year :

1. Tambe SH, Inamdar IF, Kamble MB, Aswar NR, Doibale MK: Study of school environmental conditions & morbidity pattern among school children. IJSR:2014; 3(3); 1-3.
2. Tambe SH, Inamdar IF, Kamble MB, Aswar NR: Study of Participation of adolescents in Household Decision Making Process. ISJR 2014; 3(5) 458-460
3. Salunke VN, Kamble MB, Suryawanshi AR, Saple P, Tiwari MM, Bhete SB, Garad SB: Clinical profile and prevalence of opportunistic infections in HIV patients attending paediatric department. International Medical Journal. 2014;1(2):69-74.
4. Salunke VN, Kamble MB, Suryawanshi AR, Saple P, Tiwari MM, Bhete SB, Garad SB: A study of prevalence of HIV infection in children attending paediatric department. International journal of recent trends in science and technology. 2014;11(1):58-62.
5. Ajay Keshwani: Study of mortality profile associated with neonatal hyperbilirubinemia in tertiary care hospital. New Indian journal of pediatrics.
6. Ajay Keshwani: To study Incidence of neonatal hypoglycemia in both symptomatic and asymptomatic neonates. New Indian journal of pediatrics.
7. Ajay Keshwani: To study Incidence of Neonatal Hypoglycemia in Babies born to high risk mothers. New Indian journal of pediatrics.
8. Ajay Keshwani: To study common causes and risk factors of neonatal hyperbilirubinemia in tertiary care hospital of central India. New Indian journal of pediatrics.

9. Ajay Keshwani, Renu B Patel: To study the response to enteral and parental mode of glucose therapy in neonatal hypoglycemia. International Journal of Recent Trends in Science and Technology, May 2015;15(1):197-201

10. TipleNishikant V,S.S. More : Vitamin B 12 deficiency and cerebral atropy . International journal of Recent trends in Science and technology 2015 ;15 (2..362-364) 11.

TipleNishikantV,S.S. More. Nephrotic Syndrome and gall stone . International journal of Recent trends in Science and technology 2015 ;15 (2..376-378)

12. TipleNishikant V,S.S. More: Progeria Syndrome..a rare combination of premature aging and dwarfism . International journal of Recent trends in Science and technology 2015 ;15 (2..397-399)

Ongoing research work:

1) Dr. Aboobacker T (JR3)

UMBILICAL CORD BILIRUBIN AND ALBUMIN AS PREDICTORS OF SIGNIFICANT NEONATAL JAUNDICE IN TERM NEONATES.

2) Dr. Rajesh Singh (JR3)

APPLICABILITY OF PRESS AND RSS SCORE WITH RESPECT TO MODIFIED TAL CRITERIA IN PEDIATRIC AGE GROUP FOR GRADING AND MANAGEMENT OF ACUTE RESPIRATORY ILLNESS.

3) Dr.Suraj Bansod (JR2)

COMPARISON OF SERUM CALCIUM LEVEL IN SICKLE CELL PATIENTS DURING VASO-OCCLUSOIVE CRISIS.

4) Dr. Shruti Polke(JR2)

PROFILE OF CHILDREN PRESENTING WITH NON- TRAUMATIC COMA.

5) Dr. Vidhya Totewad(JR2)

TO STUDY THE CLINICAL PROFILE AND RENAL MANIFESTATION IN SICKLE CELL DISEASE IN CHILDREN.

6) Dr.Ajai Yadav (JR2)

ASSESMENT OF TOPS SCORE AS A CRITERIA TO DETERMINE THE OUTCOME OF REFERRED NEONATE TO TERTIARY CARE CENTRE.

7) Dr.AmitaGanvir(JR2)

EVALUATION OF C REACTIVE PROTEIN FOR IDENTIFICATION OF NEONATAL SEPSIS IN CORRELATION WITH BLOOD CULTURE.

8) Dr. Swati Suroshe (JR2)

CORRELATION OF NEONATAL GESTATIONAL AGE WITH FOOT LENGTH AND RIGHT NIPPLE TO UMBILICUS DISTANCE

Last one year OPD/IPD data:

Total opd patients of 2017: 33954

Total IPD patients in 2017: 14272

OPD schedule

DAY	TIME	HOU
Monday	9am to 2 pm	Dr. M.B. Kamble
Tuesday	9am to 2 pm	Dr. A.K. Keshwani
Wednesday	9am to 2 pm	Dr. R.T.Chavan
Thursday	9am to 2 pm	Dr. M.B. Kamble
Friday	9am to 2 pm	Dr. A.K. Keshwani
Saturday	9am to 2 pm	Dr. R.T.Chavan

Department Of Paediatrics

UNIT-I	Dr. M.B. Kamble (HOU HOD) Dr.MuzammilKoshish(Asst. Prof) Dr. Nishant Chavan(SR) Dr. Aboobacker T. (JR3) Dr. Swati Suroshe(JR2) Dr. Shruti Polke(JR2) Dr. Sumit Lamge(JR1) Dr. Nithin C. S. (JR1)
UNIT-II	Dr. A.K. Keshwani(HOU) Dr. V. G. Chavan(Asst. Prof) Dr. Kunjbihari Meena(SR) Dr. Amita Ganvir (JR2) Dr. Ajai kumar Yadav (JR2)

	Dr. Priyanishaben Dodhi (JR1) Dr. Ankush Maindad(JR1)
UNIT-III	Dr. R.T.Chavan (HOU) Dr. Ramchandra Nagargoje(Asst. Prof) Dr. Subodh Tikhe(SR) Dr. Suraj Bansod(JR2) Dr. Vidhya Totewad(JR2) Dr. Pranoti Chiwarkar (JR1) Dr. Ramesh Nidiganti (JR1)

Special facilities available :

- 1.SCNU (Special care neonatal unit)
- 2.Issuing of disability certificate on Wednesday,Thursday, Friday.

Child should be accompanied by parents or a care taker who knows child well along with aadhar card of child (aadhar card address should belongs to Yavatmal district). Previous admission papers /discharge card, imaging study reports and/or EEG should be brought if available.

Details:-Clinical Material in the Department

Ventilators - Total 5 (Pediatric-3,Neonatal-2)

Bubble CPAP – 1

Warmers – 14

Phototherapy units – 17

Syringe pumps – 14

Transcutaneous bilirubinometer – 1

Pulse oximeter - 12
