

Shri Vasant Rao Naik Govt. Medical College, Yavatmal

Department Of Ophthalmology

The Department of Ophthalmology, is a prominent tertiary center for ophthalmic care. Ophthalmology, is no doubt a very intricate branch in itself. It involves highly sophisticated equipments. Under NPCB (National Programme for Control of Blindness), Department of ophthalmology, SVN GMC Yavatmal strives to provide quality care especially to rural and needy masses who are unable to afford such services in private sector. SVN GMC Yavatmal was started in 1989 and has been rendering its services over past 3 decades.
